

Level 3: Goal oriented

2

3

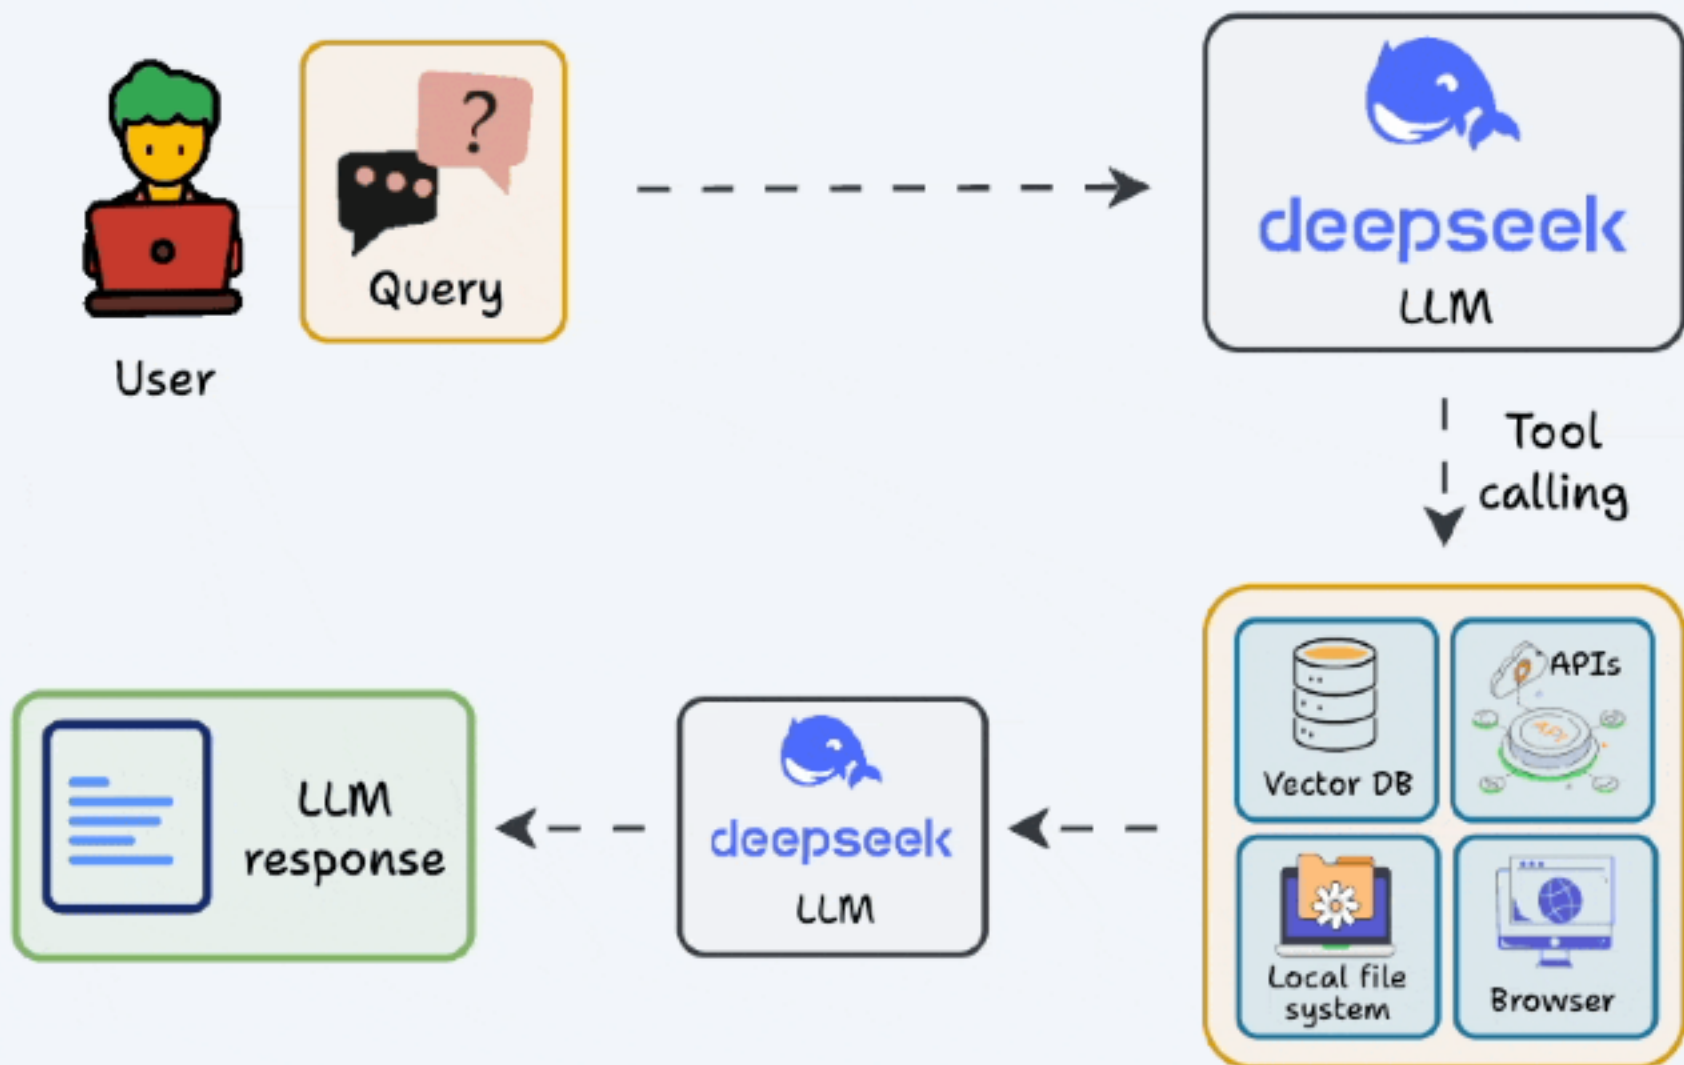

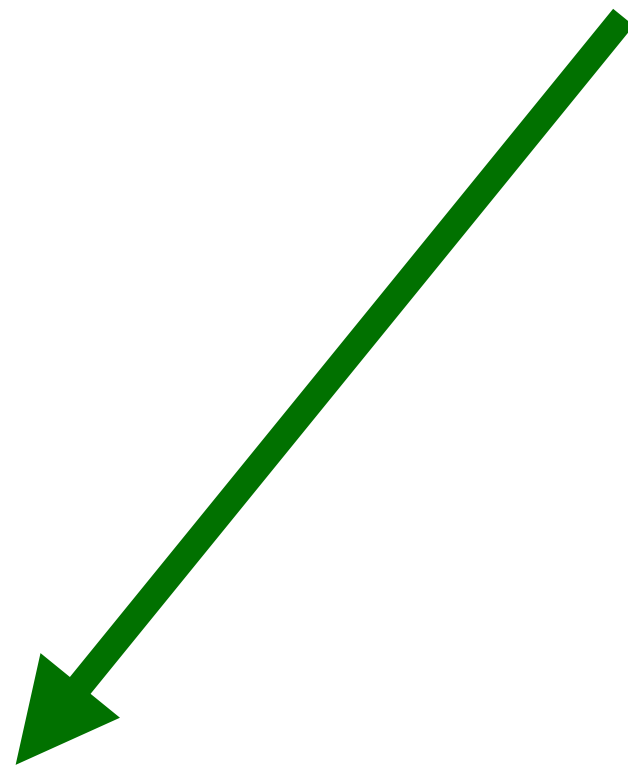

Give me some
recommendations
for my next holiday

3) Tool Calling

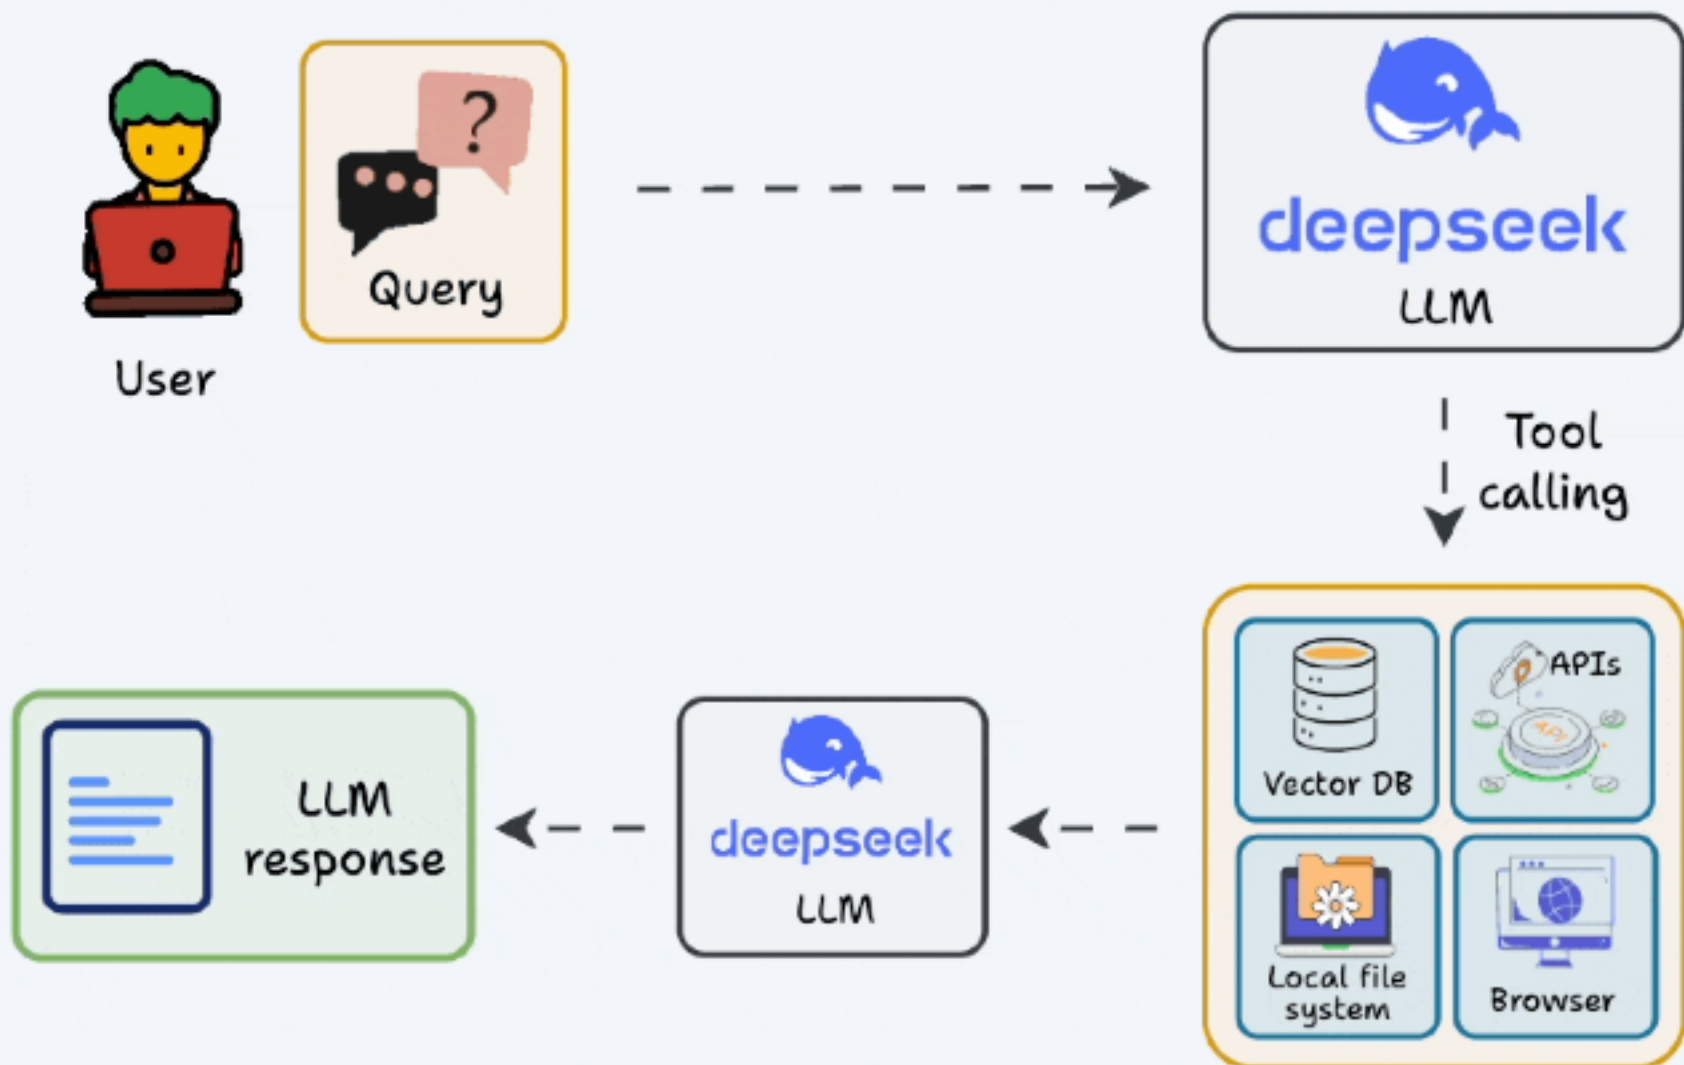

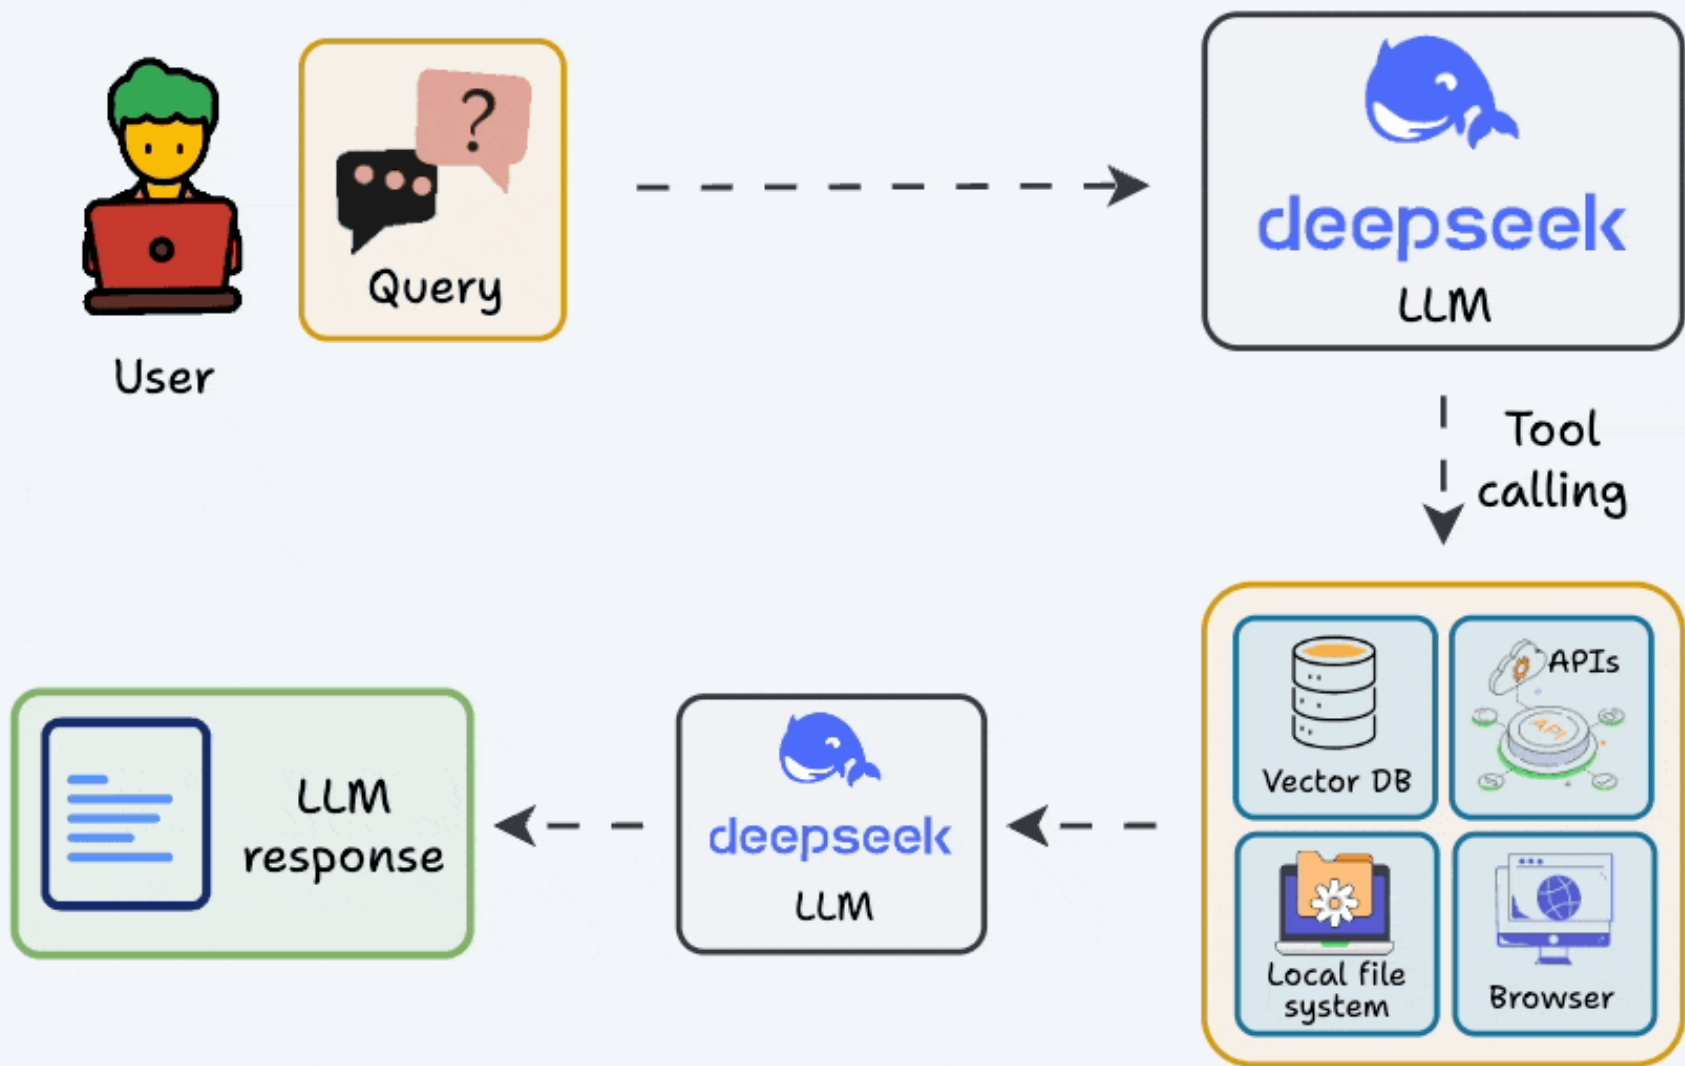

Hi Joe, based on your preferences for adventure, cultural experiences, and mild climates, we recommend a 10-day trip to Switzerland. It offers excellent hiking in the South, rich culture throughout, and matches your CHF300/day budget... Would you like me to book the holiday?

Objectives driven

Level 4: Adaptative autonomous agents

Maintains persistent memory, learns from feedback, self-corrects, and adapts strategy over time. Operates semi-independently.
